National Aeronautics and Space Administration
Headquarters
Washington, DC 20546-0001

April 12, 2011

Reply to Attn of: Space Operations Mission Directorate

TO: Associate Director of Exploration and Space Communications Projects Division

FROM: Director of Network Services

SUBJECT: Near Earth Network FY 2011 Reimbursable Rates for non-NASA Customers

The subject rates are outlined below, unless superseded by an existing MOA:

NASA Stations: $435.00 per pass for operational services (mission preparation services will incur additional cost)

Commercial Stations: Please contact Mr. Scott Greatorex of the Networks Integration and Management Office at Scott.A.Greatorex@nasa.gov or 301-286-6354.

This rate will remain in effect until further notice. Annual rate calculations will be performed, if these derive a rate change a new rate will be published at that time.

For additional information please contact Mr. Angel Otero via email Angel.M.Otero@nasa.gov or be phone at 202-358-2275.
